EXPERIENCE

Founder & Lead Developer
DL WebWorx LLC 📍 *Remote, USA* 📅 *08/2024 - Present*

- Provided front-end development and UI/UX consulting services for clients, focusing on React, Vue.js, and Angular-based applications.
- Designed and implemented scalable, responsive web solutions with a focus on performance optimization and accessibility.
- Collaborated with stakeholders to define project requirements, refine user experiences, and enhance digital branding.

Senior Software Engineer (Front End)
QuSecure 📍 *Remote, USA* 📅 *02/2024 - 07/2024*

- Revamped UI with React and Tailwind CSS, improving responsiveness and consistency across devices.
- Contributed to the development of award-winning QuProtect Software by collaborating with cross-functional teams to refine the user interface.
- Led code reviews and conducted usability assessments to enhance the product's user experience.

Sr. Front End Developer (Project Consultant)
AIM Consulting Group 📍 *Remote, USA* 📅 *04/2023 - 08/2023*

- Designed and implemented complex data presentation features like infinite scrolling and row grouping using AG Grid, enhancing user interaction.
- Streamlined API integrations for user management application, ensuring seamless data fetching and manipulation.
- Collaborated with the design team to apply Material Design principles, creating a cohesive and intuitive user experience.

Studio Senior Engineer
Deloitte Digital 📍 *New York, NY* 📅 *09/2021 - 01/2023*

- Spearheaded the establishment of a style guide and coding best practices for CDC's informational website using React.js, improving development efficiency.
- Managed regular standup meetings, ensuring timely communication and adherence to project goals.
- Developed custom Vue.js components for an AI chatbot interface, elevating the user interaction experience.
- Ensured compliance with WCAG accessibility standards in UI component development.

Vice President, Institutional Securities Technology

Morgan Stanley ⚲ *New York, NY* 🗓 *03/2021 - 09/2021*

- Enhanced the user interface of a financial planning workbench application, focusing on usability improvements and streamlining user workflows.
- Collaborated with cross-functional teams to modernize the Angular framework, ensuring alignment with current industry standards.

Senior UX Developer

Fashionphile ⚲ *Lehi, UT* 🗓 *12/2018 - 03/2021*

- Built and maintained full-stack features using Vue.js and Laravel for internal tools and partner-facing applications.
- Developed the Neiman Marcus associate portal prototype with Vue.js and Laravel, enabling real-time access to Fashionphile's inventory system.
- Integrated Laravel-based APIs to streamline inventory, authentication, and customer management workflows.
- Revamped CSS and JavaScript build processes, optimizing integration with AWS CI/CD pipelines.
- Refreshed customer signup/login flows, improving both security and usability.
- Mentored junior developers and contributed to coding standards across Vue.js and PHP/Laravel projects.

Web & UI Developer

Software Technology Group ⚲ *Salt Lake City, UT* 🗓 *10/2017 - 12/2018*

- Delivered web solutions for high-profile clients, including MRM/McCann and Cisco, ensuring alignment with client specifications and industry best practices.
- Designed and implemented engaging web UI applications and promotional landing pages, contributing to enhanced brand visibility and user engagement.

Freelance Web & UI Developer

Freelance Contractor ⚲ *Salt Lake City, UT* 🗓 *10/2015 - 10/2017*

- Managed multiple short-term projects, including website redesigns and new application designs, tailoring solutions to client needs and enhancing user experiences.
- Implemented new features and fixes for various web applications, ensuring high-quality deliverables and client satisfaction.

Front-End Web Developer

ZAGG Inc. ⚲ *Salt Lake City, UT* 🗓 *09/2012 - 10/2015*

- Played a key role in multiple product launches, contributing to the migration to responsive web design and enhancing user accessibility.
- Worked collaboratively on the migration to the Magento e-commerce platform, ensuring a seamless transition and improved user experience.
- Developed promotional web pages and designed engaging web banners, boosting brand presence during key marketing campaigns.

EDUCATION

Neumont College of Computer Science

Bachelor of Science (BS), Computer Science (unfinished) 2007 - 2009
